Holiday Case Food Drive

Organization Name: _____

Those families coming to People To People Ministries for emergency food assistance, are provided with three days of groceries—breakfast, lunch, dinner & snacks—for every member of the household. This is our way of addressing hunger issues in Wayne County. During holiday & school vacation times, however, children who might otherwise receive free or reduced lunches are home, placing an added strain on an already tight food budget.

During the months of November and December, PTPM is seeking to stock our food shelves in anticipation of the holidays and other seasonal costs which might stress a household budget. To do this in a way that allows us to purchase those items most in need & in a most cost-effective manner we invite you to participate in our “Case Food Drive”. By sending in your donation, payable to *People To People Ministries* and marked “Food Drive” we can purchase those items in short supply.

Below is listed the prices of cases of food most commonly purchased and distributed by PTPM. Won't you please consider supporting this important ministry to those less fortunate?

Thank you for your prayerful help.
